SUMMER EMPLOYMENT OPPORTUNITY

2016 SPECTRA LEADers

We are seeking outstanding students to serve as SPECTRA LEADers for the summer and fall semesters.

Students interested in becoming a LEADER must complete the general application, attach an unofficial college transcript, résumé, and obtain two references; one of which should come from a professor.

The SPECTRA summer transition program for AALANA (African American, Latino, Asian, Native American) students is scheduled for the following dates: July 3 – August 6, 2016 which is during the Summer II Day Session. The five week program is intended to provide up to 100 incoming freshmen with an academic and social transitional experience to the College prior to the fall semester.

SPECTRA LEADers are expected to be available to work during the entire session of the SPECTRA summer program, plus attend the required training sessions. SPECTRA LEADers must not take any class or classes or have any outside job during the Summer II session as it will interfere with your duties as a LEADER. Also, LEADers will receive a full stipend for their work with the students.

The SPECTRA program is tremendously rewarding, yet it is very intense. SPECTRA LEADers will reside in the residence halls and will be on call 24 hours per day with the exception of some nights off each week as determined by the Head SPECTRA LEADER. LEADers are expected to participate in the program beyond their residence hall duties. Accordingly, applicants for these LEADER positions should realize that confidentiality is a required trait and that it takes an enormous amount of commitment of your time and energy to help make this program successful for each student.
